

## Protect the Lifeline: Share Your Stories

For Immediate Action  
Time Sensitive

**Action Alert**

For Information Only

The Arc of The U.S. is collecting stories that highlight the importance of lifeline programs to people with intellectual and developmental disabilities (I/DD) and their families.

Your story will be reviewed by The Arc's staff, and they may contact you with follow up questions. The Arc of The U.S. is receiving requests from Members of Congress and the media for stories from people with I/DD and their families.

Click a link below for more information or to share your story.
